

Exclusive Health Insurance and Employee Benefits Program

The National Ground Delivery Association (NGDA) has partnered with a national employee benefits firm to cover all of your employee benefits needs. Our exclusive program helps businesses nationwide offer quality benefits at a cost that's affordable to them.

As an NGDA member, you have access to multiple employee benefits options for your business including group health insurance and group dental, vision, life, disability and legal plans available through companies like MetLife, United Healthcare, Aetna and others. These competitive benefit options are available to members with as few as 2 employees enrolled.

Access to a full range of products and services including:

- Complete group health insurance implementation for your business
- MetLife Dental, Vision, Life, Disability, Legal Service Plans
- Pet Insurance
- Medicare Supplement Plans
- Administration of Consumer Driven Accounts like HSAs, FSAs, HRAs and COBRA

NGDA benefits program offers its members:

- No participation requirements
- 2-year rate guarantee
- 5% dental insurance discount when bundled
- MetLaw group legal plans for less than \$1/day
- Online employee benefits platform at no cost
- Product availability down to 2 employees enrolled

Offering these benefits helps you hire and retain better drivers, lower your employee turnover rate and eliminate the expense of hiring new drivers. Protect your valuable employees from large medical bills and give them access to the quality health care they deserve.
